

Welcome!

AMERICA'S FINAL TEST • BOWLING GREEN, OHIO

THANK YOU . . .

. . . for being part of America's Final Test. This Bible-based seminar is for everyone and exists to encourage people to study the prophecies of the Bible and prepare for the return of Jesus Christ. We pray you'll be blessed as we study together.

Searching people are asking questions like these every day:

- Does Bible prophecy provide guidance for my life today?
- Who is the Antichrist?
- What is the Mark of the Beast?
- What role does the United States play in prophecy?
- How can I be certain I never receive the mark?

AMERICA'S FINAL TEST

We are so glad you have joined us for this life-changing seminar focusing on the books of Daniel and Revelation, as we look at what God's Word says about where we stand in these last days. In eight meetings we will trace one dragon, two beasts, and three angels — from the war that started in heaven to the test that comes to America to the Heaven and Earth made new.

REGISTRATION

Wyatt Allen presents this dynamic study of the Bible prophecies affecting you today.

Thank you for registering with us tonight. If you happened to miss this opportunity, please see

someone at the welcome desk and they will be happy to assist you.

Please bring your Name Badge with you each meeting to scan in. This helps us with several things that will allow this seminar to run smoothly.

- It helps us with our advertising research
- It allows us to know approximately how many free Bible study resources to have available nightly
- It lets us know what meetings you miss so we can save any handouts for you when you return.

Also, as a thank you, for scanning your badge nightly, you'll receive several free gifts designed to be a blessing to you.

- An exciting DVD called Armageddon for those who come to 7 meetings.
- Nightly Gift Drawings
- Free gifts for you and any new guest you bring on certain nights.
- A gift for those who come the most nights.

Scan your badge in nightly and help us help you receive these great Bible study resources!

BIBLES

If you were in a rush to get here for the seminar and didn't have time to grab your Bible on the way, there will be Bibles available for you to use during the seminar. You can find these at the Welcome Table. (Please leave the Bible behind for the next person to use the next night. Thank you!)

RECORDINGS

Prior recordings of previous nights' topics, for review or to share, will be available on our BibleEvents.org website when possible.

QUESTIONS AND PRAYER

If you have Bible-based questions, please put them in the question box located at the welcome table. We will do our best to answer them from the Bible during the Question-and-Answer time. Prayer requests may also be submitted, and Pr. Wyatt and team will gladly pray over the requests.

THE BOOK

Everything we will study together this week is also written out in Wyatt's book America's Final Test: One Dragon, Two Beasts, Three Angels. Copies are available at the resource table for \$5. Take it home, check every text for yourself, and share it with someone you love.
