

The Antichrist Beast Exposed

AMERICA'S FINAL TEST • BOWLING GREEN, OHIO

“Surely the Lord GOD does nothing, unless He reveals His secret to His servants the prophets.”

Amos 3:7

1. THE BIBLE DEFINES ITS OWN SYMBOLS

Daniel 7:23; Revelation 17:15

A beast is a kingdom, not a monster. Waters are “peoples, multitudes, nations, and tongues” — so a beast from the sea rises out of crowded territory.

2. NOT THE VILLAIN WE EXPECT

1 John 2:18; 2 Thessalonians 2:3-4

“Anti” means against and in the place of. The man of sin “sits as God in the temple of God” — a substitute, standing where Christ should stand.

John 17:12

“Son of perdition” appears twice — of the antichrist, and of Judas. The template is not Nero but a trusted insider who betrayed with a kiss (Acts 20:30).

3. DANIEL 7 — FOUR BEASTS, TEN HORNS

Daniel 7:2-8, 24

Lion — Babylon. Bear — Medo-Persia. Leopard — Greece. Iron-toothed beast — Rome. Ten horns = the kingdoms Rome divided into (Western Empire ends A.D. 476).

Then a “little horn” comes up among them, with “eyes like the eyes of a man, and a mouth speaking pompous words.”

4. THE TEN CLUES

1. Rises among the ten horns — western Europe (Dan. 7:8)
2. Rises after A.D. 476, once the ten are in place (Dan. 7:24)
3. It is little — small in territory (Dan. 7:8)
4. Uproots three of the ten horns (Dan. 7:8, 20)
5. A man at its head — “eyes like ... a man” (Dan. 7:8)
6. Different from all the others — religious fused with political (Dan. 7:24)
7. Makes war on the saints (Dan. 7:21; Rev. 13:7)
8. Rules 1,260 years — 42 months, a day for a year (Dan. 7:25; Ezek. 4:6)
9. Thinks to change God’s times and law (Dan. 7:25)
10. Speaks blasphemy — a man claiming to be God and to forgive sins (John 10:33; Luke 5:21)

5. HISTORY ANSWERS — TEN FOR TEN

Rises in Rome among the ten divisions; comes to power A.D. 538. Vatican City is 109 acres — the smallest state on earth. Three tribes uprooted clearing its path: Heruli 493, Vandals 534, Ostrogoths 538. One man at its head; church and state fused into one crown. 1,260 years from 538 lands on 1798 — Berthier entered Rome and the pope was taken captive to die in exile. “He who leads into captivity shall go into captivity” (Rev. 13:10).

An edited Decalogue in its own catechisms — the second commandment removed, the tenth split — and God’s own titles claimed.

Ask the Beast: to convict a power, don’t quote its enemies — quote the power

itself. Every point above comes from its own documents.

6. THE NUMBER OF A NAME

Revelation 13:17-18

It is “the number of a man,” “the number of his name” — not a barcode, not a chip, not a game of counting letters in other people’s names.

Genesis 2:2-3; 1:26-31

Seven is God’s number of completeness. Man was made on day six — always one short. 666 is man’s number tripled: self enthroned where God belongs (2 Thess. 2:4).

Take Note: The case does not rest on arithmetic. Cross out the number and the beast is still identified, ten for ten. The clues are granite.

7. A SYSTEM — NOT THE PEOPLE IN IT

The verdict falls on an institution and its claims — never on the sincere believers inside it. God has millions of faithful children there, and knows each by name.

Ephesians 4:15

“Speaking the truth in love” — both halves, always. A surgeon does not cut because he hates you, but because something has to come out.

8. THE WOUND THAT HEALS

Revelation 13:3

“...his deadly wound was healed. And all the world marveled and followed the beast.” 1798 was the wound — but the verse does not stop there.

“Blessed is he who reads ... the words of this prophecy, and keep those things which are written in it.”

Revelation 1:3
